CHANGES ARE MADE IN STATE GAME LAWS

Commissioner of Conservation, I. T. Quinn, has issued the following instructions and warning in regard to the Conservation Laws, and a few changes that were made by the recent legislature:

There has been no change in hunting license fees nor in the requirements for possessing a hunting license.

1: All hunting license are due on October 1st.

2: A county license, authorizing the holder thereof to hunt any where in the county in which he resides, costs one (\$1.00) dollar.

3: A State license, authorizing the holder thereof to hunt anywhere in the state, costs three (\$3.00) dollars.

4: Every person is required to possess a hunting license before he is permitted to hunt on the lands of another person.

5: Every person who hunts on lands other than he owns or rents must, in addition to taking out hunting license, secure a written permit from the owner of the land on which he desires to hunt.

6: Do not let the game and fish warden catch you without your license and without your written permit.

7: Get your hunting license from your Judge of Probate.

The following laws have been passed by the present legislature, and are now in full force and effect.

The seasonal limit on deer has been placed at five, with only one day, as heretofore. Female deer are protected at all times.

The bag limit on wild turkey gobblers has been reduced from two to one, with a seasonal limit of ten. Wild turkey hens are protected at all times.

The bag limit on quail has been reduced from twenty-five to fifteen, and the open season in the future will be from November 20th to February 20th following.

The State laws have been made to conform with the Federal Statutes, insofar as they relate to migratory game birds and water fowl.

The dove season will, therefore, open on October 16th, and close on January 31st following.

ELLIS KILLED MAKING ARREST TUESDAY EVENING

Almore Record says: Sheriff Curry Ellis, widely known Escambia County, Fla., officer, was shot and killed by Susie McLean, who in turn was shot and killed by a deputy sheriff at about 5:30 P. M. Tuesday afternoon. Reports of the killings are meager, but according to the deputy state-ment, the woman shot Ellis as he was arresting her at Patterson station, on the bay shore electric line to Barrancas from Pensacola. The ball struck Ellis in the chest, rattling back and fracturing his neck. The deputy immediately shot and killed the woman.

DEATH OF MRS. JOSEPHINE M. STEVENS.

In the death of Mrs. Josephine M. Stevens, which occurred on Monday of last week about the noon hour, Elba lost one of its oldest and most beloved women.

Mrs. Stevens had been a patient sufferer for many weeks, and for several days relatives and friends realized that her days were few, and the an-attached hereto and made a part of this report.

We find that the license in-spector has issued a number of citations to individuals to take out certain privileges, licenses, and some to take out automobile license. In conclusion we wish to express our thanks to your Honor for the able and helpful character delivered to us, and to the Solicitor, the Sheriff and his deputies and our bailiffs for their aid, and now having completed our labors we ask to be recessed.

GRAND JURY RETURNS TWENTY-FOUR BILLS FINDS CONDITIONS GENERALLY IMPROVED

Elba, Ala., Oct. 5, 1923. To the Honorable W. L. Parks Judge of the Circuit Court of Coffee County:

We, the Grand Jury empanelled by your Honor, respectfully report as follows:

There has been presentments entered on our dockets, and a large number of witnesses have appeared before us. We have endeavored to make diligent inquiries into all matters coming before us, and return herewith indictments in all cases we deem proper. We have likewise made inquiries into general conditions. We note that there have been fewer presentments made at this term than is usual, and we think that conditions so far as law observance is concerned is some better, although in some sections it seems that there is a general lack of respect for law. We commend the activities of the sheriff and his deputies in their efforts to enforce the law, but they need the help of all good citizens. We should all take cognizance of the fact that we have a criminal element among us, and that this element is active, and that if not held in check it will grow until it becomes a serious menace to law and order, in fact that condition has already arrived in some sections. In many cases witnesses seem afraid to give testimony, and this leads us to the conclusion that unless our good citizens rally to the support of the officers and take a firm stand for law enforcement, furnishing information when they have it, that we can hardly expect improvement, in our criminal conditions. We surely owe it to our posterity to hand down to them the best country and the best community conditions possible for them to live in. It is not a one man's job, or the officers job, to secure this, but it is a duty devolving upon every citizen.

We return herein 24 indictments, 9 being for felonies, and 15 for misdemeanors.

Committees of our body have duly visited and inspected the several County Offices, the Court House Jail and almshouse, and their reports are attached hereto and made a part of this report.

The funeral services were held Tuesday morning at the home on Buford street and were conducted by Rev. Chas. H. Germon and Rev. F. M. Lowrey. Her body was laid to rest in Evergreen cemetery.

Mrs. Stevens is survived by two sisters, Miss Sallie Jordan and Miss F. A. Alford, and a brother, Mr. J. S. Jordan, all of Elba, and many other relatives and scores of friends. The bereaved ones have the sympathy of the entire community.

The attendance at Sunday School and the morning service last Sunday was very gratifying to the pastor. The threatening weather interfered to some extent with the attendance at the evening service. There was a deep interest manifested by all who attended the services of last Sunday.

Our prayer meeting of Wednesday evening the 3rd, was also very encouraging and gratifying. We feel sure that the best we have had in many days and the interest was fine. All who were present seemed to be in prayerful mood and we feel that our revival rally began with that meeting.

The series of meetings that we have been looking forward to, will begin next Sunday. Rev. J. B. Laster of Brewton, to do Moran, who are to assist the pastor, will arrive on Monday. The pastor will preach as usual on Sunday. His subjects will be as follows: Morning—"Constraining Love of Christ." Evening—"Faith." Much depends on next Sunday's service, as all at and about the good means a great deal.

We feel that we have been very fortunate in securing Rev. J. B. Laster of Brewton, to do the preaching. We feel sure that he will bring us a gospel message full of power, each time he preaches. Having had Brother Moran with us once before, and knowing his ability to do so, and to method of conducting the song service, it will be a real joy and pleasure to have him assist us again.

Let us adopt the following as our motto for this meeting: "Every member present, at every service on time, to do all we can with the Lord's help, to make the meeting what it ought to be."

Members of this church and Baptists who live in the city but do not hold membership here, we do not need an invitation to attend this meeting. We want you to come every time, but instead of inviting you, we urge you to come, and in so doing, fulfill your obligations to God and your denomination. As a Baptist you are at home when you come to this church. We urge you to do your duty and enjoy the privileges this church affords you.

We extend an invitation to all Christians to attend and co-operate with us during the meeting. Your prayers and help will be appreciated and you will receive a cordial welcome.

A general invitation is extended to all strangers, visitors, friends from surrounding communities, people of all faiths and no faith. All are invited to come and hear the gospel of Christ. A cordial welcome and a hearty hand shake awaits all who come.

Godd bless you, short sermons and warm Christian fellowship.

AUTO TURNS OVER; SEVERAL ARE HURT

Monday's Troy Herald:

Saturday night while returning from Ozark where they had been attending the Dale County Fair, a Ford automobile driven by Rupert Green, left the road at a point four miles below Brundidge, turning completely over twice, the broken wind shield badly cutting both of Mr. Green's hands and breaking three ribs for Mrs. Robert Witherington, by bruising Robert Witherington and fracturing an arm and foot of Mrs. Charlie Stephens, the other occupants of the car.

No person is accounted for the accident, only that Rupert Green, who was driving turned his head to speak to the occupants on the back seat, and the car left the road on a twelve foot fill, heading on, turning completely over, and then turning over once on the side, pinning some of the occupants under the car.

The automobile was being driven at a very moderate gait, according to those who were in the car. Mr. Green's hands are in bad shape the fingers of both of them being cut, and it will be several weeks before he will be able to resume his duties driving the fire truck for the city fire department.

Mrs. Robert Witherington and Mrs. Stephens will be confined to their beds some time from the injuries. Robert Witherington was not hurt sufficiently to lay him up.

There were 6,668 bales of cotton ginned in Coffee prior to September 25th, 1923, according to the tabulation of the card reports to the Bureau of Census.

This shows a shortage of 3,310 bales from the report of the same date in 1922, as there were 9,978 bales ginned last year prior to September 25th.

In some sections gins are still running, but it is the opinion of those who have traveled considerably about the county, that the crop has been practically all ginned. Just what the crop will be is a matter yet to be determined.

ELBA HIGH SCHOOL DEFEATS SAMSON 6-0

In one of the best games seen on the home gridiron in a long time Elba High School defeated the Samson football team by a score of 6 to 0 on last Friday. Going into the game outweighted several pounds to the man, the local boys fought back hard and in the fourth quarter, Hatcher ran the needed 11 yards for a touchdown. Both teams played good football, but the stars were Hatcher, Parfitt, Talbot and Ham, of Elba, and Cooper and Bedsole for Samson. Elba's next game is with the Troy High School at Troy on Friday.

BAY MINETTE MAN IS KILLED BY WOMAN

Bay Minette, Ala., Oct. 8.—A sensational killing occurred opposite the Arcade building on the principal street of Bay Minette, Sunday night, when W. H. Ray, a well known hardware merchant, was shot dead by Mrs. Emma Doherty, resident of the county living near Daphne.

People in the business places on the street heard the shot and when they got to Ray's life was extinct, the body lying in the roadway. The woman disappeared and was not found until this morning, when the sheriff and a deputy arrested her at the home of a friend near Stapleton, the first station on the Foley branch of the Louisville and Nashville out of Bay Minette. She had walked the entire distance, more than ten miles, in the night and was in a pitiable condition when taken in charge by officers.

It is apparent that Mrs. Drath, who is of German extraction and said to be a widow conducting a farm in Baldwin county, laid in wait for Ray and advanced upon him in the road as he was returning to his boarding house, opposite the Arcade building. The authorities have learned that trouble over the loaning of money by Mrs. Drath to Ray was responsible for the killing. The sum loaned is said to have been \$3,000 and the woman had made several efforts to obtain the return of the money, or some part of it. Failing in this, it is claimed, Mrs. Drath threatened to collect the money by force.

It is believed that the loaning of her savings through a loan to Ray to proceed on the woman's mind that it unbalanced her reason.

Ray had been in the hardware business for a number of years and had many friends who deplore the tragedy.

IN MEMORY OF LITTLE RALPH KELLEY.

The death angel visited the home of Mr. and Mrs. Talbot Kelley, Monday morning, October 8th, and claimed for his own, their little son, Ralph.

He suffered one week and human hands did all they knew, but nothing could ease the previous pain, which God claimed for His own. We will miss his sweet voice and loving way but God knew best and "His will be done," although we feel sorry and greatly regret the loss. But we must strive to meet him in the great beyond where there will be no more parting and no more suffering. Although he was very sick he bore his suffering with patience until the Master said "Well done, thou good and faithful servant."

Cheer up loved ones, and try to realize he's sleeping peacefully and strive to meet him in the golden bye and bye.

ALABAMA MAN FRIENDLY SHOT

Clarksdale, Miss., Oct. 8.—Two men were wounded—one of them probably fatally late today, in a shooting affray alleged to have been the culmination of an argument over the winnings of a crap game in a hotel last night. R. P. Longshore, traveling salesman, of Birmingham, Ala., was shot in the back. He is not expected to recover. Allan Moore, proprietor of the hotel, received several flesh wounds, none of which physicians believe will prove serious. W. K. Herin, Jr., young planter, is under arrest charged with the shooting.

It is said that Longshore and Moore won a considerable sum of money and that Herin paid them with a \$2,000 check.

The planter went to the hotel today, according to authorities, and accused Longshore and Moore of "framing" him. They refused to surrender the check, it is said, and the shooting followed. The three men were alone in a hotel room at the time. Herin refused to make a statement tonight.

office is kept neat and the books and papers to be well arranged and easily accessible. We find the bonds of the several County Officers to be sufficient, however, we fail to find the bond of the Sheriff as it seems to be misplaced. His bond, however is duly recorded as is recorded as is sufficient.

Oswell Dowling, C. R. Tyndol, W. C. Williams, We, your Committee appointed to inspect the County Jail, submit the following report:

We find all prisoners to be well fed and properly cared for by the Jailor, Deputy Sheriff J. H. Wise. We find the building to be clean and sanitary condition. Since the last session of the Grand Jury the jail has been painted throughout, two coats of paint being applied on the inside of the building on glass, and two coats on the outside, and the roof has been painted. Also the doors and windows have been screened, new beds have been provided, new toilet put in. Deputy Wise is to be commended for his service in reference to the jail, and also the County authorities for the repairs and improvements made. The property is now in good condition and is being well cared for.

S. A. Bowers, John H. Johnson, Dock Wilson, We, as a committee of the Grand Jury of Coffee County have inspected the court house and find it clean and in good shape, freshly painted and in sanitary condition, for which we want to thank our Commissioner, Mr. J. A. Carley, the Tax Collector and Tax Assessor's records which we found neatly kept and in good condition. We want to thank J. A. Carley, Mr. T. D. Kendrick, Miss Mattie Kendrick, Mrs. Roy Bullard, Miss Lydia Williams, Mary Alice Simmons, Louis W. W. Lewis and Jimmie Horn.

From the receiving line they were ushered to the beautifully decorated punch table where Miss Sarah Albert, Carley and Ada Parker presided. They were then conducted to the bride's room by Mrs. J. W. Kendrick, to write a wish for the bride. Mrs. Vardie Wright presided over the bride's book. The program consisted of a vocal solo by Miss Madge Pave a piano solo by Miss Jimmie Horn, a "Good Evening" song, a test and an original poem by Mrs. J. W. Kendrick. The prize for the contest, a dainty guest towel, was won by Miss Mattie Kendrick who very graciously presented it to the bride.

As Miss Annie Laurie Bullard played three little fairies, Louise Tucker, Louise Johnson and Jean Brock danced in and holding their magic wands over the bride, led her to the dining room which represented a fairy land. Just as they passed through the door leading to the dining room the fairies pulled white ribbons which were suspended from a yellow basket and showered the bride with rice.

In "Fairy-land" they found a table beautifully decorated and laden with many pretty and useful gifts. The table was guarded by two little fairies, Christine Johnson and Mary Ruth Fleming. A delicious salad course was served. On each plate was a small white wedding bell tied with yellow ribbon.

Miss Carley was strikingly beautiful on this occasion. She wore an exquisite gown of Beaver gray clinging crepe, with accessories to match. Her hair was styled in the "Dorothy" and she wore a diamond necklace. Kendrick will be an interesting event at the bride's home on October 15th.

Mr. and Mrs. W. T. Whitman, Mr. and Mrs. J. W. Kendrick and Miss Lydia Williams visited in Troy Thursday afternoon.

WORK OF REPAIRING JUDGE DROPS DEAD PART OF PEA RIVER BRIDGE IS STARTED TO JURY AT ASHLAND

Ashland, Ala., Oct. 15.—Judge W. M. Lackey, judge of the Eighteenth Judicial Circuit, died Monday afternoon while sitting in his chair charging the grand jury of the circuit court which convened here Monday.

Judge Lackey had almost completed his charge and was instructing the grand jury as to his duties when he suddenly and without warning fell over. He was dead almost before court attaches could reach his side.

The official had suffered several attacks from heart trouble recently and had been warned that death might come suddenly. He persisted in his way from the bridge.

It has been hoped that the work of rebuilding the entire bridge would be started at an early date, but so far no announcement has been made by the State Highway Commission. It will be remembered that the Commission has promised the Commissioners of Office to build a new steel bridge over the river, to replace the present one, which is in bad condition from years of heavy use. The entire floor and the West abutment is now in a very dilapidated condition, and will be dangerous unless repairs are made. The large main beams on this bridge are also in bad shape, it is said.

It is understood that the road contractors were to rebuild the East abutment as part of the highway project. Material has been on the ground for several days, and from the side of the bridge a substantial structure will be built. There is much heavy traffic on this bridge and it is necessary to make the bridge a substantial one.

Mr. Wise is talking to a Clipper representative stated that it will be necessary to close the bridge for a few days when work gets under way. A new steel floor will be placed on the East end of the bridge and while this is being placed, it will be impossible to traffic.

The bridge says that the bridge will probably be closed for five or six days, probably the latter part of next week. He cannot tell just exactly the day of closing until he gets started on the work. Announcement will be made of the closing just as soon as possible.
